## ABOUT ME

Web developer and teacher with 3 years of experience in project management, social media management, documentation, activity planning and evaluation, and elaboration of improvement plans. Professionally, I stand out for my curiosity for learning, my rigor, responsibility, organization and creative vision.

Currently I'm searching for new opportunities that allow me to grow and develop professionally on the IT field.

## PAST EXPERIENCE

### Operations manager

OSPAMFRA SPA | 2021 - Current

- Communicate with different dental health institutions
- Redact and register documentation following client's standards.
